## Year 5 PSHE Curriculum Learning

Dear Parents and Carers,

We are writing to inform you about our upcoming learning in PSHE.

This term we will be discussing the physical and emotional changes that can be expected during puberty. This will link to our science learning about the human life cycle. We have used the National Curriculum guidelines to plan these lessons carefully:

*“Schools should seek to use PSHE education to build, where appropriate, on the statutory content already outlined in the national curriculum, the basic school curriculum and in statutory guidance on: drug education, financial education, sex and relationship education (SRE) and the importance of physical activity and diet for a healthy lifestyle.”*

If you have any questions about the content of our lessons, please do not hesitate to contact us.

Kind regards,

Mrs Franklin, Miss Waite and Miss Sheppard-Devney
