

Dear parents and carers,

It's been another busy and exciting week at Horn Park, with lots to look forward to over the coming weeks.

We are incredibly proud of our Key Stage 1 children who completed their Phonics Screening Check (PSC) this week. The confidence and enthusiasm they showed while reading was testament to the hard work they have put in this year. It's been wonderful to see how much progress they have made, and we want to thank you for your continued support at home.

As mentioned in last week's newsletter, our whole school project on the theme of refugees is well underway. This week, we've seen some truly thoughtful and powerful writing outcomes from children across the school. Their empathy and creativity have shone through in their outcomes. If you would like to see some of your child's writing, please do speak to their class teacher – they would be more than happy to share it with you.

Today was class photo day. Your child should have brought home a QR code card which allows you to view and order their class photo online. Please ensure you keep this card safe. We will email you with the cut-off date for orders as soon as we receive it from the photography company.

As part of the process of closing our school nursery, we welcomed representatives from [Crafty Wizards](#), the new provider who will be using the nursery space on site. They were on hand this week to speak with parents and carers about their plans and provision. If you have any questions or would like further information, please don't hesitate to contact them directly.

We have a few spaces available in Year 1-3 Gymnastics on Mondays and Year 1-3 Taekwondo on Thursdays this term. If you are interested in your child joining either of these clubs, please email hornpark@compassps.uk

Please remember that for health and safety reasons, we cannot allow parents and children to wait on the school premises **before 8:40am**. Parents and children must wait outside the school until this time. Of course, there will always be some circumstances whereby you need to arrive at school early: we will always do our utmost to accommodate this.

Have a wonderful weekend,

Mr Jack Green

Book Recommendation

In Kew class, we have been reading 'Odd and the Frost Giants' by Neil Gaiman as part of our History topic as it is set in Viking times. This is an exciting story of a young Viking boy named Odd who leaves the village one night to start his own adventure in the wild. He finds companionship of three talking animals that are actually gods: Odin, Loki and Thor. They must return to Asgard to stop Frost Giants plunging the world into winter forever.
