

Dear parents and carers,

As the hot weather continues, we are incredibly proud of how calm, focused, and resilient our children have remained throughout the week. Despite the soaring temperatures, they have continued to demonstrate our school values in every corner of the school, showing kindness, respect, and a real commitment to their learning.

This week, our Year 6 pupils took part in a fantastic workshop at Sutcliffe Park, delivered by the Junior Citizens programme. The session was designed to help prepare them for secondary school by teaching essential life skills and how to stay safe in everyday situations. Children engaged in a range of realistic safety scenarios and even had the opportunity to practice making a 999 emergency call. It was a valuable and empowering experience that will serve them well as they move on to the next stage of their education.

On Tuesday we welcomed parents and carers of children in Year 2 into school to participate in a Forest School workshop with the children. During the session, children made bug hotels using wood, screws and screwdrivers. Children also made larger scale bug hotels using pallets and were supported by the parents and carers who joined the session.

A huge well done to our Boys' Football Team, who represented Horn Park brilliantly at a tournament held at Charlton Athletic's training ground. While the results didn't go their way, the team displayed outstanding sportsmanship, teamwork, and determination throughout the day. We are incredibly proud of their efforts and look forward to cheering on our Girls' Team as they take to the pitch next week!

Today, the whole school was treated to an exciting assembly from the ever-entertaining Professor Pickles, marking the start of our Science Week celebrations. Next week, children will take part in a variety of hands-on science activities, supported by visiting GCSE students from Chislehurst School for Girls.

Public Health and Wellbeing is seeking a representative from Horn Park who would like to share any ideas or thoughts they have regarding co-designing joint engagement materials for the areas of Blackheath and Charlton, Plumstead and Glyndon, and Horn Park. These may include designs for things like newsletters, posters, flyers, or other engagement resources that will be shared within each area. It will most likely be 1-2 meetings and these will be online. If you are interested, please email Rebecca Layng at [rebecca.layng@royalgreenwich.gov.uk](mailto:rebecca.layng@royalgreenwich.gov.uk)

With the warm weather set to continue, we are eagerly anticipating our annual Sports Day at Sutcliffe Park on Friday (more information in the box below). We hope to see as many of you there as possible.

Have a wonderful weekend,

Mr Jack Green

## Reception to Year 6 Sports Day on Friday 27<sup>th</sup> June at Sutcliffe Park

Sports Day for children in Reception to Year 6 will be held at Sutcliffe Park on Friday 27<sup>th</sup> June 2025.

Children will attend school as normal and walk to Sutcliffe Park after registration ready for a 10am start.

Unless you have already placed an order for a packed lunch to be supplied by the school kitchen, children will need a packed lunch and water from home for Sports Day

Parents/carers are invited to attend and share in the day's events – you can read more information [here](#).

If any adults are able to walk down with their child's class to the sports centre, it would be much appreciated; please let your child's class teacher know or email [hornpark@compassps.uk](mailto:hornpark@compassps.uk)

## Local School Committee: Election for Parent Governor

The application process to become a parent governor at Horn Park is still open. If you are interested in making a difference in our school community, more information can be found [here](#) or please email [hornpark@compassps.uk](mailto:hornpark@compassps.uk)

## Attendance Matters

**Good attendance is key to success both educationally and beyond. For this reason, we aim for 100% attendance.**

Best Year Group: Year 2 – 97%

## Book Recommendation

Tower class would like to recommend 'Lift-the-flap Questions and Answers about Refugees'.

With simple, direct questions, thoughtful, compassionate answers and stunning illustrations by the Ukrainian artist Oksana Drachkovska, this book explores what it really means to be a refugee.

## ONLINE LEARNING (Homework)

**Term Value:**

Perseverance

**Lunch Menu: 1**

w/c 23<sup>rd</sup> June 2025
