

Dear parents and carers,

With one week of the academic year remaining, it has been another fantastic week of experiences and opportunities for children across the school.

The week began on a high note with a fantastic Year 3 recorders assembly. The children showcased the musical skills they've developed this year, and the enthusiastic turnout from parents and carers made it all the more special. Your support truly inspires our young performers!

Reception had an exciting visit to the Cutty Sark, deepening their understanding of the world around them. The children returned full of new vocabulary, questions, and curiosity - an excellent example of how powerful educational visits can be. Willows class have had a brilliant year and are more than ready for their transition to Key Stage 1.

This week, children met their new teachers on Wednesday, followed by parent and carer sessions on Thursday. If you have any questions about the year ahead, please don't hesitate to speak with your child's new teacher. In the autumn term, you'll also be invited into the classroom to explore the new environment and learn more about what's to come.

On Thursday, our Year 6 book club members attended a Celebratory picnic at Thomas Tallis School, marking the end of their participation in the Greenwich Book Club initiative. Meanwhile, Year 2 visited the Queen's House, where they explored art and history, making meaningful connections to Greenwich's maritime heritage.

We are pleased to share an updated version of our [Home School Agreement](#) for the upcoming academic year. Based on your feedback, we've added three key summary points on the front page that highlight the importance of strong collaboration between home and school. To hear more about the agreement and plans for the year ahead, please join me for a Headteacher's Briefing on **Thursday, 4th September at either 9:00am or 6:00pm**. If there are any other topics you would like covered, please do not hesitate to email [hornpark@compassps.uk](mailto:hornpark@compassps.uk) or speak to me on the gate; we hope to see many of you there.

A reminder that the Healthier Greenwich Partnership is hosting a Community Voting Day this Saturday at 11:00am in the school hall. With £10,000 in funding available for local projects, residents of Horn Park and Middle Park are warmly invited to vote in a fun, Dragons' Den-style event. Refreshments will be provided as part of the event.

Have a wonderful weekend,

Mr Jack Green

## Book Recommendation

Chelse a class are reading 'The Boy at the Back of the Class' by Onjali Rauf. On a perfectly ordinary school day, a boy with a tattered red rucksack walks in. Unable to speak English and seated at the back of the class, Ahmet captures the attention of a fellow classmate, who will do anything to help him find his family. Even if that involves a plan - or five, and the Queen herself! Told with heart and humour, 'The Boy at the Back of the Class' is a child's perspective on the refugee crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense.
