Year 4 Forest School Camping 2026

Dear Parents and Carers,

We are delighted to share that the date has been set for our Year 4 Forest School overnight camping: **Friday 12th June 2026**.

This event is a fantastic opportunity for children to experience the magic of outdoor learning in a safe and familiar environment. Spending time in nature, participating in team-building activities, and enjoying the adventure of camping with friends helps children develop key life skills such as independence, resilience, and confidence.

For many children, this will be their first experience of an evening away from home with school, making it an ideal stepping stone towards future residential trips. It also supports their personal growth, encourages collaboration, and strengthens friendships—all while having fun in the forest school area.

A more detailed letter will follow in April, outlining final arrangements including what children will need to bring and timings for the evening.

In the meantime, we are refreshing our list of interested participants, as preferences may have changed since the summer term. If your child would like to take part, please complete the sign-up form [here](#).

Thank you for your continued support. We look forward to creating a memorable and enriching experience for our Year 4 pupils.

Kind regards,

The Forest School Team
