Reception study with Kings College London

Dear Parents and Carers,

We are excited to share that as part of our focus on oracy this year, we have teamed up with Kings College London to support them with their ongoing research into early language skills. Children will complete one short activity with a trained professional from the university at school, the results of which will be fed back to class teachers. The activity is based around early language skills and the use of metaphors to support cognitive links.

Attached is a flyer with more information and details of how to sign up if you would like to participate in the study. The research will be taking place across the autumn, so please ensure that you sign up before Monday 10th November.

If you have any further questions, please feel free to speak to Miss Ablitt.

Thank you for your ongoing support.

Kind regards,

Miss Ablitt
Assistant Head Teacher
