## Welcome Back

### ENGLISH

To start this term, we will be creating descriptions of Tutankhamun's tomb. We will then look at the mysteries of Harris Burdick to explore genre and the power of vocabulary to write setting descriptions. Later in the term, we will be focusing on a short story written based on one of the pictures to develop our knowledge of subordination and adverbs.

### FRENCH

In French, we will be developing our knowledge of number to 31 to include being able to articulate how old we are and our dates of birth.

### HISTORY

This half term, we will be continuing to look at Egyptians in History and the influence of the River Thames in Geography. We will delve deeper into the discovery of Tutankhamun's tomb in the Valley of the Kings and asking whether Howard Carter was a thief or a hero for what he did. We will be looking at how the River Thames is used for transport and trade and the different ways in which we cross the river as well as the impact of pollution.

### MATHS

This term, to start off with we will be looking at length and perimeter. This will include measuring in metres, centimetres, and millilitres. We will then start something brand new – fractions! We will be learning all about unit and non-unit fractions, how we can tell whether one fraction is greater or less than another and finding fractions of

### RE

RE this half term is a look inside some Christian places of worship. We will be exploring different denominations of Christianity and seeing the similarities and differences between their beliefs and where they pray and celebrate.
