

# Weekly Newsletter 7th October 2022

**HORN PARK**  
PRIMARY SCHOOL

Dear Parents and Carers,

We are excited to announce that in a week's time, we will be launching a Horn Park Instagram page. If you do not wish your child's photo to be used, please complete this online [form](#). This will give us further opportunity to celebrate the fantastic things children do at our School.

We have also been evaluating our communication channels and alongside consultation with parents and upon receiving feedback on this, we will be making better use of our already much used app, MyChildAtSchool. This is already used for payments and communication, but teachers will now be able to contact parents with key information when needed throughout the week. Photos of children's learning will be posted throughout the week via our online platforms.

Thursday this week brought with it 'Space Day.' This fell on World Poetry Day; therefore, the children's day was filled with various activities based around space, art and literacy. Activities included, year 1 creating oil pastel art based on the sun and the moon and year 4 designing a space-themed times table board game. As part of the day, all children across the school had access to a free, space-themed school dinner – the mini potato asteroids were particularly popular!

More classes have been on their first school trip of the year: reception thoroughly enjoyed their trip to Eltham library, whereas Year 2 ventured to the Museum of London as part of their Great Fire of London learning. Year 1 and 2 also really enjoyed having the opportunity to share a book with one of their adults at their 'stay and read' session. This will be happening across the rest of the school in the coming weeks.

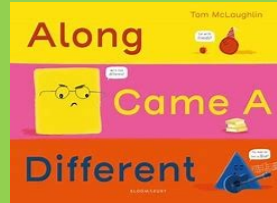

A reminder that if you have not booked a parents' evening appointment for Tuesday or Thursday next week, please do so via MyChildAtSchool. If you have any issues with the booking system, please contact the school office. During Tuesday's parents evening, between 3.30-4.30pm, Chartwells will be offering a food tasting for parents, please pop by the hall to sample some of the dishes that will be on our new menu after half term.

Have a lovely weekend,

Zoe Crosland and Jack Green

## BOOK RECOMMENDATION

In Kew class we enjoyed reading 'Along came a different' by Tom McLaughlin in RHE.

It's a special and inspiring picture book which celebrates our Horn Park value of unity. We had a great time celebrating all the amazing differences we have in Kew class such as eye colour and our unique
