Learning Today, Leading Tomorrow

PART OF UNIVERSITY SCHOOLS TRUST

The hallmark of a Royal Greenwich Trust School (RGTS) education is a rigorous focus on securing excellent outcomes for all learners within a community where all members are valued and respected. Our approach is focused on academic excellence and a dynamic curriculum that is built upon high expectations for everyone which teaches students to think critically and is adaptable to the needs of every learner.

Academic learning is supplemented by our work to prepare students for life beyond school. This is delivered through our well-established Character Development Programme, which year-on-year builds core skills and attributes so that students have the confidence and resilience to flourish in whatever their chosen pathway is.

Our core values are Responsibility, Grit, Teamwork and Success, which we live and breathe to empower our students in 'Learning Today, Leading Tomorrow'.
