

Weekly Newsletter 15th July 2022

Horn Park
PRIMARY SCHOOL

Dear Parents and Carers,

We cannot believe that we are in the last full week of term. What a year it has been – our first full year with the children being in school since 2019. With so many restrictions still in place last September, we are so proud of how the community has come together to ensure our children still receive the highest quality of education.

Last week, we enjoyed sports day and would like to say a huge thank you to everyone who supported with the event and made it such a fantastic day for all involved. It was great to see the Horn Park Community together

once again in a celebration of sport. Throughout the day, there were many examples of athletic prowess from children at Horn Park and it was amazing to see children flourish and express their talents outside the classroom.

Sports day is also a fantastic opportunity for children to demonstrate our school values whilst working in their teams and competing against their peers. Well done to all who persevered in the heat, showed positivity and honesty whilst competing, were kind to their teammates and opposition and demonstrated honesty and respect at all times.

Now for the results: **1st - Red with 1820 points, 2nd - Blue with 1799 points, 3rd - Green with 1797 points and 4th - Yellow with 1713 points.** Congratulations to everyone but especially **Red team!**

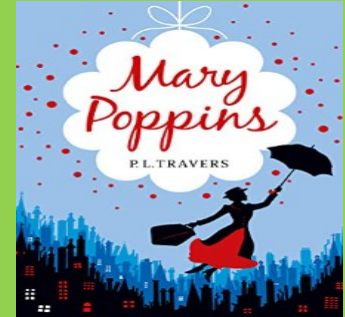

Next week, we will be sharing information with you regarding our leadership structure alongside key dates for next year. We are so excited to begin the year in the way we always have done pre-pandemic by being able to invite parents into the school and we will be running weekly sessions/workshops for parents to attend. These will run at 9am and 6pm. We will also begin the term with an meeting to have a chat with myself and Mr Green, deputy head about the year ahead.

With the weather on track to be very hot Monday and Tuesday of next week, we just remind children to come to school with a water bottle and hat if appropriate as well as putting sun cream on before they get to school.

Have a lovely weekend

Zoe Crosland

BOOK RECOMMENDATION

Year 6 have been immersing themselves in the world of **Mary Poppins** for their production this week. The original Disney film is based on the book by PL Travers
