Multiplication Tables Check (MTC)

Dear Parents and Carers,

The children in Year 4 are continuing to work incredibly hard in class in the lead up to their multiplication tables check (MTC). Their persistent hard work is providing them with the best possible chance to showcase the knowledge they have gained.

MTC:

- The test will be administered over a two-week period in June, beginning on Monday 1st June.
- It is a 25 question, timed test to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.
- Your child's score is shared with you as part of their end of year report

More information can also be found [here](#).

Early in the next half term, children will also participate in a mock test. These mocks will be administered as similarly as we can to the real test to ensure children are prepared before the MTC in June. These practises will also allow us to identify any access arrangements that need to be made to support children who need it.

Please support your child at home by continuing to encourage regular times tables practise on TTRS and asking them about their weekly soundcheck score.

If you have any questions, please do not hesitate to contact the school.

Kind regards,

Miss Lazell
