

Dear Parents and Carers,

It has been a sensational end to the term with so much going on across the school.

At the start of the week, Years 3 and 4 performed their Viking musical for the community. The children performed with such confidence, delivering lines with comedic timing and clear intonation. Songs were performed with great unison and the audience were thoroughly entertained. A huge thank you to all adults who were involved in coordinating the production.

That was not the end of the concerts for the week: on Tuesday afternoon, EYFS and KS1 delivered their spring concert. Again, they demonstrated great teamwork and musical precision in the songs they sang. The same can be said for the children involved in the [Rocksteady](#) show on Wednesday morning, who had the chance to perform to the entire school as well as parents and carers. We are very proud of the variety of opportunities children receive related to music; you can read more about this on [our website](#).

Three year groups have enjoyed educational visits this week. Reception travelled to Mudchute farm on Wednesday, with Year 1 venturing to the Cable Cars in Greenwich and Year 3 exploring Westminster Cathedral on Thursday. These trips would not be able to happen without the parental contributions to trips for this year which have enhanced our offer to all children. Thank you for supporting this.

Today, we focussed our end of term assembly on attendance and the sense of pride children have in coming to school. New learning displays have been going up across the school over the last couple of weeks, representing the high-quality outcomes children produced based on inspirational teaching. We firmly believe that children deserve to be surrounded by a beautiful environment and both the children and teachers work incredibly hard for this to be the case.

On 1<sup>st</sup> April, our group of schools will officially become the 'Compass Eko Trust,' completing the merger process which has been ongoing over the last year. We are proud to be part of an educational team so passionate about achieving the best possible outcomes for all children and this will continue into the future.

There is so much to look forward to in the summer term, and we are excited for you all to be a part of so much of it. On the first day back our new spring summer menu will start in school which you can [see here](#). In the first week back, we have a [Citizens UK coffee morning](#) on Thursday 16<sup>th</sup> April at 9am, before an [Online Safety coffee morning](#) the following day on Friday 17<sup>th</sup> April at 9.05am. Please report to the school office on arrival if you are attending either coffee morning.

Places for After School Activity Clubs in the summer 2026 term have now been issued [via My Child At School](#). If you did not receive an email confirming your child's place in a club that you registered your interest for, then they have been placed on a waiting list, and the school office will be in touch if a place becomes available. We do still have availability in some clubs; if you would like to enquire about places please email [hornpark@compassps.uk](mailto:hornpark@compassps.uk)

**A reminder that we return to school after our Easter break on Monday 13<sup>th</sup> April.**

Have a fantastic couple of weeks,

Jack Green

## Attendance Matters

**Good attendance is key to success both educationally and beyond. For this reason, we aim for 100% attendance.**

This week's attendance: 96%

Best Year Group: Year 1 – 99%

## Book Recommendation

Lambeth class are reading 'Viking Voyages' by Stephen Davies. We were excited to meet the author on World Book Day.

This book contains six tales full of gods, dragons, dwarves and giants. Readers discover how Odin created a magical world, meet the mischievous trickster Loki and learn how Thor came to possess his mighty hammer. This book is packed with fascinating information about Viking explorers.
