Year 5 Local Field Trip – Friday 22nd May 2026

Dear Parents and Carers,

As part of our science topic on **life cycles of plants and animals**, we are pleased to inform you that we will be visiting **our local park, Horn Park, on Friday 22nd May** to support the children's learning through first-hand experiences.

During this visit, the children will have the opportunity to:

- Observe plants and trees at different stages of growth
- Look for signs of animals and insects in their natural habitats
- Discuss and identify different life cycles in the environment
- Take part in simple outdoor investigations and recordings

We will be leaving school after lunch at 1.15pm and will be back in school for the end of the school day.

We would love for you to join us, please email hornpark@compassps.uk or inform your child's class teacher if you would like to accompany us.

If you have any questions regarding the trip, please do not hesitate to email hornpark@compassps.uk or speak to either of us on the gate.

Kind regards,

Mrs Dias and Mrs Franklin
