Multiplication Tables Check (MTC)

Dear Parents and Carers,

We are nearing the time that the children in Year 4 will be partaking in their multiplication tables check (MTC), with the test period starting the week we return from half term. We are so proud of the perseverance that the children have shown since September to prepare, and their ongoing hard work is providing them with the best possible chance to showcase the knowledge they have gained.

As we approach the MTC, please support your child at home by continuing to encourage regular times tables practise on TTRS. To motivate further, the children have been informed of a half term competition on TTRS with a celebratory treat to be awarded to the winner. Please discuss this with your child at home.

A reminder about the MTC:

- The test will be administered over a two-week period in June, beginning on Monday 1st June.
- It is a 25 question, timed test to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.
- Your child's score is shared with you as part of their end of year report

More information can also be found [here](#).

Thank you for your continued support. If you have any questions, please do not hesitate to email hornpark@compassps.uk

Kind regards,

Miss Lazell
Maths Lead
