Year 2 Bug Hotel Workshop

Dear Parents and Carers,

We are delighted to invite parents and carers to join your child in Year 2 for a special **Forest School 'Bug Hotel Workshop'**. This hands-on session will take place during your child's Forest School time on **Thursday 25th June at 9:15am – 11:00am.**

Please arrive via the school office at 9:15am to take part in creating a bug hotel alongside your child.

This is a wonderful opportunity to enjoy time together outdoors, support your child's learning, and explore how we care for our natural environment. You are welcome to stay for part of the session or the full workshop, which finishes at 11:00am.

During the session, you and your child will:

- Work together to design and build a bug hotel
- Explore natural materials
- Learn about the importance of habitats and caring for wildlife

No experience is needed - just come along ready to enjoy a relaxed, friendly outdoor activity together.

We understand that some children (and adults!) may feel a little unsure about new experiences. Please be reassured that familiar staff will be present throughout to support everyone, ensuring a calm and enjoyable session for all.

We very much hope you can join us for this special morning.

Kind regards,

Deborah Riddlesdale
Forest School Lead
