New Classes 2026-2027

Dear Parents/Carers,

As we approach the end of what has been a fantastic academic year, we would like to take this opportunity to share details of our class organisation and staffing arrangements for September.

At the end of this term, we will be saying goodbye to **Mr Turner**, who has secured an exciting opportunity at another local primary school as he takes the next step in his career. We thank him for his contribution to our school community and wish him every success in his new role.

We will also be saying goodbye to **Miss Waite**, who will be remaining within the Compass Eko Trust as she takes up a newly appointed Assistant Headteacher position at **Rowan Wood**. As the primary site of Rowan Wood will be based at Horn Park, we are pleased that she will still be a familiar face around the school, and we know many children and families will continue to see her regularly.

We are delighted to be welcoming **Miss Dourmouh** to Horn Park as a new member of our teaching team. She will be joining us in **Year 4**, and we look forward to introducing her to children and families. I am also excited to announce that as of September, **Mrs Wood** will be our Deputy Head.

Finally, **Mrs Dias** will begin her maternity leave at the end of this term. We know you will join us in wishing her well as she prepares to welcome her new baby over the summer. We look forward to sharing our congratulations when the exciting news arrives.

We are happy to be able to offer classes a 'Meet the Teacher' session with their new teacher before the end of the term so they can have the chance to say hello and get to know their teacher before the end of the year. This will take place during the afternoon on Wednesday 8th July.

As always, there will be a parents' evening in the autumn term where you will be able to discuss their learning in more depth, as well as how they have settled into their new class.
