## Embers Parent Survey

Dear Parents and Carers,

Over the past few weeks, your child has taken part in the Embers programme in school. The programme has provided opportunities for pupils to develop important skills, reflect on their experiences, and engage in activities that support their personal growth and wellbeing.

We would be very grateful if you could take a few minutes to complete a short online survey about the programme. Your feedback is extremely valuable and will help Embers and our school to evaluate the impact of the programme and continue to improve the support offered to children and families.

Please complete the survey using the link below:

The survey should only take a few minutes to complete, and all responses will be treated confidentially.

Thank you for your time and support. We greatly appreciate your feedback and partnership in helping us provide the best possible experiences for our pupils.

Kind regards,

Miss Osborne
