Years 5 and 6 pupil survey

Dear Parents and Carers,

As part of a wider project with the Compass Partnership of Schools and the Royal Borough of Greenwich, our staff recently completed racial literacy training with Hemisphere Education. Parents and carers who have attended our Racial Literacy Parent Forum have been able to see some of the brilliant training and resources they are providing schools with. You can find out more about this organisation by visiting their website [here](#).

To understand the impact of this, we are asking students in years 5 & 6 to take a short survey about their experiences and sense of belonging.

- **Anonymous:** The survey is anonymous, and no one at the school will see individual responses.
- **Voluntary:** Taking the survey is optional, and pupils can choose whether to participate, or to complete parts of the survey only. The choice will remain with the pupil and a script will be read before the survey to remind them of their rights.
- **Timing:** The survey will be done during the school day on Monday 13th July

If you don't want your child to take the survey, please complete [this form](#) by **11am on Friday 10th July**.

The evaluation of this project will enable schools to better understand student views, which will inform work moving forward.

Thank you for your support,

Jack Green
