Tapestry Online Learning Journal

Dear Parents and Carers,

In the Early Years Foundation Stage at Horn Park, all children in Reception have a personal online learning journey using 'Tapestry'. This is a secure way of recording photos, observations and comments that enables us to share key parts of your child's learning and achievements during their time with us.

You will have received an email asking for you to sign up, if you have any problems with logging in, please let me know.

We will post half termly updates of your child at school, but we would love for you to also contribute from home. This could be something special that you have done as a family, a club, a new hobby or even just a drawing. We can then discuss this with the child and sometimes share it with the whole class during news time.

Thank you for your continued support.

Miss Osborne
