Welcome Back

Mr Green – Headteacher

When did you feel most proud
of your child last year?

OR

What makes you proud that
your child goes to Horn Park?

Compass Eko Trust

"Every child achieving, without
exception."

Three Strategic Priorities

Woven together, not independent strands

01

Belonging

*Stronger Together
Through Shared Purpose*

The cultural foundation that makes equity possible. When people genuinely belong, the redistribution equity requires feels legitimate and right.

02

Equity

*The right support and
opportunity in every school*

Giving more where more is needed. Not a lottery of postcodes - every child, regardless of geography or background, deserves the same quality of support.

03

Thriving

*Great People, Strong Schools,
Connected Communities*

Our schools are as good as the people in them. When colleagues feel valued and schools carry sustainable workloads, children and young people flourish.

Belonging makes equity possible. Equity gives belonging meaning. Thriving is what both, together, produce.

Celebrating our
