HOW DECISIONS ABOUT INTAKE ARE MADE

Fixed number of places for Year 7 intake in September 2026.

After the admission of pupils with a statement of special educational needs where the school is named on the statement, if there are more applicants than places available, schools follow an admissions criteria.

As many schools are no longer LA maintained they may set their own admissions criteria

1. Looked after children
2. Children who have a sibling
3. Children or their immediate family member with an acute medical or social need for a particular school
4. Other children based on home to school distance*

**Distance from home to school is measured as a straight line from a single fixed point in the centre of the home address to the main entrance of the school.*

 - ▶ Consider each school's admissions policies and previous years' application rates to see whether your child is likely to be offered a place.
 - ▶ For an indication of addresses offered by each school in the previous admission, look at the Greenwich Secondary school offers map online.
 - ▶ You don't have to list six schools, but the more schools you list, the better your chances of being offered a place at one of them.

Welcome to Harris Academy Greenwich, a school that provides our students with a first class education and amazing life experiences. This reflects our personal outlook on life and on education. We only get one life and we should all use it to make a real difference in the world, to put a 'ding' in the universe. Our role here is to help students and staff dream bigger than they ever thought possible, and to make that dream come true through our culture of success, moral courage and integrity which beats at the heart of the school.

As parents, what do we want for our children? We want our children to be successful in their chosen profession, in their relationships and in their interaction with the world. We want them to be happy and to flourish. We ensure this school provides that opportunity for your child year after year.

And what do we want for our staff? We want our staff to receive regular, world-class training to achieve mastery of their craft, amazing support to flourish every day, to never burn out, and a sense of shared moral purpose about the best job in the world. We ensure this school provides that opportunity for staff year after year.

We invite you to consider sending your child here, you can be assured that this is a brilliant school - we are rather proud of it.

Admissions arrangements

First priority will go to children with an Education, Health and Care (EHC) Plan naming the school. Within each of the nine ability bands, places will be given in the following priority order:

1. Looked after children and previously looked after children, including those children, who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with a sibling at the Academy in years 7 to 11 living in the same household, who, in any of these cases, will be living with them at the same address at the date of their entry to the school.
3. Children of staff members employed at Harris Academy Greenwich. The member of staff needs to have been employed at the school for at least two years at the time of application and/or been recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Other children based on home to school distance

Testing and banding assessments

The following schools use a banding system based on the results of a general ability assessment:

- Harris Academy Greenwich
- Leigh Academy Blackheath
- Leigh Halley Academy
- Leigh Stationers' Academy

These schools will divide their total number of Year 7 places into bands with the aim of providing a balanced intake of children of differing abilities. Your child will be placed in one of a number of bands, depending on their score in a test. It is not possible to 'pass' or 'fail' the test, and the band a child is placed in will not guarantee an offer of a place at a preferred school.

Harris Academy Greenwich

The school will invite all applicants to an assessment after 31 October 2025. If your child does not take the banding assessment they will be considered for a place after all those applicants who have taken the test.

Please contact the school directly as soon as possible, to obtain further details, including testing arrangements.

Leigh Academy Blackheath, Leigh Halley Academy and Leigh Stationers' Academy

You will need to complete a form to register your child for the assessment and return it to the school by 31 October 2025. If your child does not take the banding assessment they will be considered for a place after all those applicants who have taken the test.

Please contact the school directly as soon as possible, to obtain further details, including testing arrangements.

Supplementary information forms

Please contact the schools directly to obtain further details, including testing arrangements. If your child requires additional time to complete the banding test, you will also need to complete a form. If you are applying for a place as a faith entrant at a church school, you will need to complete a supplementary information form that is verified and countersigned by your parish priest or faith leader in addition to the application form. This applies to:

- St Mary Magdalene CE School
- St Paul's Academy
- St Thomas More Catholic Comprehensive School
- St Ursula's Covent School

Each school that you apply to as a faith entrant will require a completed supplementary information form. This is in addition to the common application form that needs to be submitted to the local authority.

You should still complete a supplementary information form if, during the period specified for attendance at worship, the church has been closed for public worship and not provided alternative premises for that worship. Attendance will only apply to the period when the church or alternative premises have been available for public worship. Applicants prevented from attending church due to clinical vulnerability should also complete a supplementary information form as they may still qualify under faith-based criteria.

Details of faith based criteria and each school's supplementary information form can be obtained directly from the school. Links to the schools' websites are available at royalgreenwich.gov.uk. The supplementary information form must be returned to the school by 31 October 2025.

Tips

- Don't 'waste' a preference by naming a school where your child is unlikely to be offered a place
 - Don't name a school that you'd not wish your child to attend - any preference may be offered
 - Don't list the same school more than once as duplicates will be deleted
 - Do include schools nearest to your home address otherwise, your child may end up being allocated to a school much further away
- 
- A series of several thin, white, parallel diagonal lines extending from the bottom right corner towards the center of the slide.

The Families Information Service (FIS) offers support to parents and carers who may need support with the school admissions process. The service is available to everyone and provides:

- a wide range of information on local secondary schools
- support in making informed and realistic preferences
- help in completing the relevant forms
- information about the appeals process.

If you have questions about which schools will best meet your child's academic and developmental needs, or require support in making your application, please contact FIS at fis@royalgreenwich.gov.uk.

WHAT IF I AM NOT OFFERED A PLACE AT ANY OF THE PLACES LISTED ON MY APPLICATION FORM?

Waiting lists

Waiting lists are maintained in the same order as the published admission criteria. Every time a child's name is added to the list, it will be re-ranked in line with the published oversubscription criteria. Priority is not given on the basis of when a child's name was added to the list or whether an offer of an alternative school has been accepted. This means that a child's position on a school's waiting list can move up or down the list.

Your child's name will automatically be added to the waiting list for any school you listed as a higher preference than the school offered. This also applies if you are not offered any of your preference schools.

However, if you applied for a place at a grammar school in another borough and your child has not been deemed selective, your child will not be added to the school's list.

If you do not want your child's name added to a school's waiting list, you will need to let us know. You can do this by emailing us at school-admissions@royalgreenwich.gov.uk.

To use our online waiting list checker for community schools go to royalgreenwich.gov.uk/admissions

All Royal Greenwich schools maintain a waiting list until the end of August 2028. Academies and voluntary aided schools can be contacted directly for details of their waiting lists. If you would like your child's name to remain on the waiting list for the following academic year, you will need to re-apply.

Please check individual school's arrangements for further information.

Appeals

You have the right to appeal against the decision not to offer your child a place at any school you listed as a preference. However, we expect that you will only appeal for a place at a higher preference school.

To appeal go to school admission appeals at royalgreenwich.gov.uk/admissions

If you wish to appeal against a decision not to offer your child a place at a community school, you need to complete our appeal form stating your reasons for appealing against the admission decision.

To appeal online and obtain guidance notes on the appeals procedure, go to royalgreenwich.gov.uk/admissions.

If your child has not been offered a place at an academy or voluntary aided school, you will need to complete an appeal form provided by that school.

All appeals are heard by an independent appeal panel in accordance with the Schools Standards & Framework Act 1998.

Out of 53 appeals for community secondary schools for entry in September 2026, only two were upheld.

The deadline for submitting an appeal form is 29 March 2027, so that hearings can take place in May and June 2027. If you submit an appeal form after this date, it is possible that your appeal will not be before your child is due to start school in September.
