11th September 2026

International Evening 2026

Dear Parents and Carers,

We are delighted to announce that our much-loved International Evening will be returning this term. This special event is always a joyful celebration of the rich cultures, traditions and backgrounds that make our school community so unique.

This year's International Evening will take place on **Wednesday 30th September 2026**.

During the school day, children are invited to wear clothing that reflects their identity, heritage or culture instead of their school uniform. This could include traditional dress, clothing featuring a national flag or flag colours, or even a football kit representing their country. Throughout the day, classes will be exploring cultures and traditions from around the world, celebrating the diversity that enriches our school community.

After school, we warmly invite all families to join us for the evening celebrations. Doors to the hall will open at **4:15pm**, and families are welcome to enjoy refreshments outside the hall (weather permitting) from **4:00pm** while the choir prepares for their performance.

The evening will officially begin at **4:30pm** with a special performance by our Year 4 to Year 6 Choir, who will share a selection of songs from around the world.

Following the performance, we will continue with one of the most popular parts of the evening, our 'Bring a Dish' celebration. We are incredibly grateful to the families who have contributed food in previous years and hope to make this year's shared feast the biggest yet. Whether it is a dish that reflects your cultural heritage or simply a much-loved family favourite, every contribution helps create a wonderful opportunity to share, connect and learn more about one another.

If you are able to contribute, please bring your dish with you when you arrive and provide a list of ingredients. Allergy information cards will be available for families to complete. Please remember that we are a nut-free school.

As part of this year's event, we would also love to showcase the many ways our families celebrate special occasions at home. Alongside sharing food, we invite families to send photographs of significant family events, celebrations or cultural traditions. These images will help us create a wonderful presentation to run throughout the evening and provide an opportunity to celebrate some of our favourite memories together as a community.

Deputy Head Victoria Wood

If you would like to contribute food, share photographs, or be involved in another way, such as through music, traditional clothing, dance, art or another aspect of your culture, please complete [this form](#).

Thank you, as always, for your continued support. We look forward to celebrating with you and learning more about the wonderful cultures and traditions represented within our school community.

Warm regards,

Mrs Wood
Deputy Headteacher
