PSHE Consultation

Dear Parents and Carers,

We would like to invite you to a PSHE Consultation session, where you will have the opportunity to learn more about the Personal, Social, Health and Economic (PSHE) education taught at our school. The date for this will be Thursday 15th October 2026 at 9am.

During the session, we will:

- Explore our PSHE curriculum and how it supports children's personal development, relationships, wellbeing and emotional growth.
- Share information about our No Outsiders programme and its role in promoting inclusion, respect, equality and a sense of belonging for all children.
- Introduce Embers (currently used in EYFS/KS1) and explain how it supports children's emotional health, wellbeing and personal development. We will also demonstrate how parents and carers can engage with and support their child's learning at home through the Embers app, which provides access to activities, discussion prompts and resources linked to the programme.
- Provide an opportunity for parents and carers to ask questions and discuss any aspect of the curriculum.

We value working in partnership with families and believe that working together helps children get the most from their learning experiences. We hope this session will provide a helpful opportunity to learn more about these important areas of the curriculum and how they support your child's development.

We look forward to welcoming you and answering any questions you may have.

Kind regards,

Miss Osborne and Ms Wood
