For each of our Christmas performances, we warmly invite all families to join us before the performances for a mince pie and a hot drink. It's a lovely opportunity to come together as a community, share some festive cheer, and celebrate the season before enjoying the children's performances. Please join at the times above.

For these events, we want to inform you of feedback we are acting on from last year:

- **'It can be difficult to see my child perform'**: we are adjusting the layout of the hall and where children perform, with designated areas for families based on your child's year group
- **'There is nowhere for very young children to go if they are struggling in the hall':** the cookery room will be set up as a breakout space for parents/carers to take young children if needed
