

Dear parents and carers,

It has been another fantastic week of learning and amidst the drop in temperatures and what feels like constant rain, the children have still been immersed in a whole range of indoor and outdoor learning opportunities.

The theme for this year's Anti-Bullying Week is "Reach Out". If bullying is challenged, it can be changed - this starts by reaching out. Whether it is in school, at home, in our community or online, children are being encouraged to reach out and show each other support where it is needed. Children are invited to wear odd socks to school on Monday 14th November to celebrate the differences between us. More information can be found by visiting the anti-bullying alliance [website](#).

You will have received a letter regarding Children in Need which is on November 18th. We invite children that day to wear their pyjamas to school with a small donation if they can. There will also be a cake sale after school.

Back in July, you may not have been aware, but we took part in an exciting filming project with the CBeebies very own, Teeny Tiny Creatures with Chantelle and Rory. They filmed with some of our year two children in our Forest School looking for a very special type of beetle.

The series will be on the CBeebies channel and on BBC iPlayer at 3.45pm every weekday from Monday 14th November until Friday 2nd December 2022. Horn Park will be featured in the episode on Devil's Coach beetle on November 21st. Forest School and the outdoor learning opportunities children experience is something we are very proud of at Horn Park. If you would like a tour of forest school, please come and let the school office know. Also, keep an eye out ahead of Spring 2 for an opportunity to come and take part in a forest school workshop so you can experience the wonderful things our children do.

Have a lovely weekend.

Zoe Crosland and Jack Green

BOOK RECOMMENDATION

Richmond Class would like to recommend 'The Boy Who Made Everyone Laugh' by Helen Rutter. Billy is an eleven year-old boy with a big dream.

He wants to be a stand-up comedian when he grows up: delivering pinpoint punch-lines and having audiences hang on his every hilarious word. A tough career for anyone, but surely impossible for Billy, who has a stammer. How will he find his voice, if his voice won't let him speak?
