shape our provision for children with SEND?

As part of our continuing focus on how we work to best meet the needs of children with special educational needs and disabilities and their families, we would like parental representatives from across our schools to have the opportunity to work with leaders to offer input on aspects of policy and practice.

This would involve meeting at least three times a year, providing input on policy development as well as considering government guidance and research and how these impact on practice within our schools.

If this is something you are interested in, please email a brief personal statement, explaining your experience and why you are interested in joining the group, to [mbernard@compassps.uk](mailto:mbernard@compassps.uk)
