

Weekly Newsletter 5th May 2023

Dear Parents and Carers

As we move into another bank holiday to mark the King's Coronation, we look back at a week filled with fantastic learning opportunities for all children.

It was lovely to see parents in year 2, Reception and Nursery come into school to share a book with the children. Reading is such an important part of a child's development and helps them to develop their vocabulary imagination and a love of learning.

We would also like to thank the parents that attended our 'understanding your child's anxiety and stress' workshop. It is really important we work together to best support our children and give them tools to understand the emotions they are feeling.

On Thursday, the children enjoyed a royal picnic in the playground to celebrate the coronation of the King. A huge thanks to Chartwells for providing a delicious selection of sandwiches, sausage rolls amongst the favourites as well as Victoria Sponge for dessert. Lots of children are excited to be able to watch this historical event over the weekend.

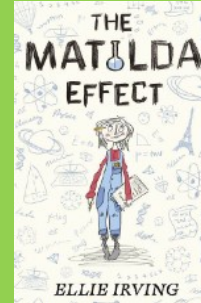

We hope you have a lovely weekend.

BOOK RECOMMENDATION

Lambeth have enjoyed reading the crazy adventures of Matilda who is fighting against injustice! Her granny had her scientific discovery stolen from her by her boss and Matilda will do anything to have her granny's name restored. Ellie Irving's *The Matilda Effect* is a great read and highlights the injustice that female scientists face on a regular basis.

NOTICES

Bank Holiday - School Closed

Monday 8th May

Year 6 SATS: Tuesday 9th - 12th May
