## Hot weather

12<sup>th</sup> June 2023

Dear Parents/Carers,

It is expected that the hot weather we experienced at the weekend will continue throughout the rest of this week.

Please remember to send your children into school with a water bottle; children will have the opportunity to refill these at play and lunch time using our water fountain on the playground. Additional water will also be provided in class and by the staff at lunchtime.

Please can you ensure that suncream has been applied on your child before they come to school. Children can bring sunscreen into school and teachers will remind them to put it on before play and lunch.

Children are encouraged to spend time in the shaded areas of the playground during playtimes and lunchtimes and classrooms are kept cool by windows and doors being left open where possible.

If you have any questions, please do not hesitate to speak to class teachers or members of the leadership team.

Yours Sincerely

Zoe Crosland  
Head Teacher

Jack Green  
Deputy Head
