Deputy Head: Jack Green

12th June 2023

Dear Year 6 Parents/Carers,

This half term, children in Year 6 will undertake learning in the SRE (Sex and Relationship Education) aspect of the RHE (Relationship and Health Education) curriculum. Within this subject, children learn a range of aspects related to growth and development as they enter adult life.

All aspects of this curriculum became statutory from September 2021, except the lesson regarding intercourse. This is the only lesson parents can opt out of.

Please find attached with this letter the scheme of work that teachers follow. We would encourage you to engage with your children at home about these very important topics alongside us teaching the concepts at school.

As a school we feel that this subject is an extremely important one in order to inform our children of how to live a healthy life and stay safe in the community. Children learning and discussing the changes they experience during puberty, alongside gaining awareness of how relationships and consent work, provides children with knowledge and context to support their development as responsible members of society.

If you wish to opt your child out of the sexual intercourse content of this curriculum, please send an email to hpcontact@hornpark.compassps.uk by midday on Friday 16th June.

Kind regards,

Mrs Wood and Miss Mobbs
