

Welcome Back

Welcome back everyone, we hope you had a lovely Half term. We are looking forward to the weeks ahead!

Please remember, if you have any questions, please do let a member of staff know so we can do whatever we can to support you. Thanks all, Mrs Akehurst and Miss Samuels.

ENGLISH

In English this half term, we will be focusing on our whole school topic of animation. Our class story is Umbrella, and we will be using this to explore emotions and linking this to Zones of regulations. Millennium will be writing different strategies to manage different feelings for the characters. In Sycamore, we will be learning about what different emotions we may feel as well as linking emotions to different scenarios.

MATHS

Our Math's learning this term in Millennium will be identifying, representing and estimating numbers using different representations, including the number line and 100 square. We will continue to compare and order numbers from 0 up to 100 and use the correct signs to indicate more and less than. In Sycamore, we will continue to explore shape and their properties before recapping and consolidating our fantastic number knowledge learnt this year.

SCIENCE

Our Science learning this term is to observe and describe how seeds and bulbs grow into mature plants. We will investigate and describe how plants need water, light and a suitable temperature to grow and stay healthy. We will be growing our own seeds within the classroom and will record any changes observed in a diary.

Geography

Millennium children will develop locational knowledge of the UK and will use photographs, plans and maps to recognize geographical similarities and differences through our study of settlements houses, buildings, and landmarks in our local area and beyond. We will be visiting crystal palace park and will be looking at making comparisons between that park and our local park. The children we be encouraged to evidence their findings.
