HORN PARK
PRIMARY SCHOOL

Dear parents/carers,

As we approach the end of the academic year, things show no sign of slowing down at Horn Park.

On Thursday afternoon, our Careers Fair enabled all children to meet people from a variety of professions, asking them fantastic questions and gaining greater awareness of the different jobs they can aspire to in the future. Civil servants, police officers, graphic designers, documentary executive producers, to name just a few, provided brilliant insight into the qualifications and skills needed for their roles. We look forward to inviting everyone back to the next careers fair and are so grateful for their time this week.

On Monday and Tuesday, Year 6 showcased their fantastic end of year production, 'The Wizard of Oz.' The children excelled, both in their acting and singing, with both performances running smoothly. There may have been a few tears shed by parents, carers and teachers when the year group sang 'Somewhere Over The Rainbow.' It adds another memory from their primary school experience, with their disco and leavers assembly next week the final act.

This afternoon, children have had the opportunity to meet their new class teachers for September. A reminder that parents and carers can come in at 3.15pm on Monday to meet the new teacher and ask any questions about the year ahead.

We sent communication earlier in the week about the universal free school meal offer to all primary age children in London. This will begin in September. If you have any questions about this, please do not hesitate to contact the school office.

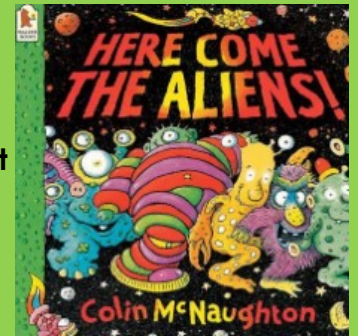

Over this weekend, we would ask that you have a final check to see if any books from class reading corners are at home, so that these can be returned ready for the new classes. The final day of the year is Wednesday 19th, with school finishing at 3.15pm as normal.

Have a lovely weekend,

Zoe Crosland and Jack Green

BOOK RECOMMENDATION

Sycamore class have been reading the story *Here come the Aliens*, by Colin McNaughton. We are introduced to a fleet of unique aliens on their way to conquer planet Earth. Some spotty, some smelly, some hairy and even one is a beauty queen. However, something causes the fleet to stop in their tracks and retreat. Can you guess what it was?
