

Dear Parents & Carers,

As we reach the end of week 3, it has been great to see how immersed the children have been in their learning, producing some fantastic writing outcomes that will soon be showcased proudly on their classroom walls and in the school corridors.

Last Thursday, our catering company Chartwells held a tasting afternoon to showcase the brilliant menu on offer to all children. In response to the rising cost of living, the Mayor of London has made a commitment that every primary school child is entitled to a Free School Meal. Please speak to the school office if you have any questions about this and pick up a menu.

We are very excited that our 'International Evening' will take place on Thursday 28th September. Thank you to the families that have already signed up to share a recipe with the community. During the day, we invite children to come into school in clothes which represent their identity instead of school uniform. The children will be learning more about different cultures from around the world and celebrating the diverse world we live in.

At the end of next week, you will receive information about parents' evening on Tuesday 17th and Thursday 19th October. This will be done via My Child at School whereby you can arrange a meeting with the class teacher online.

Thank you to the parents who attended our workshops this week, including the anti-bullying steering group and our workshop on home routines.

As we have all seen, the weather can be quite changeable with next week being quite warm again. However, it is important that children prepare for all weathers. Please ensure that children come to school with a jacket so that they can play outside if there were to be a passing shower.

Have a lovely weekend,

Zoe Crosland and Jack Green

Book Recommendation

In Willows we have been learning about Traditional Tales. We have practised acting them out and have pretended to be the different characters by using different voices. Ffynlo: "I have loved Goldilocks and the three bears because she eats up all the porridge." Teddy: "I loved Jack and the beanstalk because the giant falls flat on the ground!"
