

A warm welcome back to Year 1! We hope you and your family had a relaxing half term and are ready for more exciting learning opportunities in the Autumn. The children have already had a great start to the year, and we cannot wait to begin our new topics. If you have any questions at all, please let me know. Miss Roast

Welcome Back

ENGLISH

In English this half term, we will be continuing to focus on the structure of our sentences. We will start the term by looking at the story of 'Mr Wolf Pancakes' and creating our own recipes thinking about the verbs and adjectives we can use. We will form these recipes after taking part in cooking our very own pancakes. Yummy!

Computing

This half term we will be looking at how we can be safe whilst using ICT devices. We will be learning about sites that are appropriate for our age and what sites we should not be looking at and the reasons why. We will be using this information to discuss if we do come across any inappropriate information or pictures when using technology what we should do.

RE

In RE we are moving on from our topic of belonging and learning about Christianity. In this half term we will be looking at the religion and what it means to some people. We will learn about what special places people go to that belong to this religion and what some of their beliefs are.

MATHS

This half term in Maths we are continuing to explore addition and subtraction. We will be adding and subtracting by finding parts of a number using part whole models.

In the second half of the term, we will be learning about 3D and 2D shapes. This will include recognising and naming shapes as well as counting sides.

D & T

This term in Design and Technology the children will be learning about upcycling products. Will use our knowledge of recycling and will be choosing a recyclable object and designing how we can upcycle this into a new object. From our designs we will then make this new object.

CLASS NOTICES

- Please ensure your child brings a labelled water bottle to school every day.
- Forest school is likely to be every other Wednesday or Monday.
- P.E kits should be brought in on a Monday and be left in school until Friday.
- Children should read on a daily basis and complete their reading records. We aim to change books as regularly as required.
