

### Welcome Back

Welcome back everyone, we hope you had a lovely break! We are looking forward to all the learning the children will undertake this half term.

Please remember, if you have any questions, please do let a member of staff know so we can do whatever we can to support you. Thanks all, Miss Akehurst and Miss Samuels.

### ENGLISH

This half-term in Literacy, Sycamores will be reading the Very Hungry Caterpillar. We will be learning about the life cycles of a butterfly. We will also explore the many fruits that the caterpillar eats in the story by making a yummy smoothie and creating a recipe card to share. Millennium will be exploring 'The Lighthouse Keepers Lunch' this term. We will be describing the characters and settings in both stories and sequencing key events. The children will have the opportunity to create their perfect lunch.

### SCIENCE

In science, we will be exploring animals, including humans. We will explore our senses and identify which body part is linked to that sense. The children will go on a senses hunt in our local environment, reflecting on what senses they have used during the walk and will plot their findings on a graph. They will have the opportunity to share their findings with their peers, to identify similarities and differences.

### MATHS

Sycamore will be using the Hungry Caterpillar book to practice our 1-1 correspondence skills and we will continue to develop our positional language. Our math's learning this term in Millennium will be focusing on place value then moving on to explore the various types of measurement. We will be looking at the different ways we can measure and identify the correct units of measurements.

### DT

This term we will be designing a boat using recyclable material, following a design criteria. Children will generate, develop, model, and communicate their ideas through talking, drawing and using templates. Children will be encouraged to independently select appropriate material for their design and evaluate their model when constructed, did their boat sink or float?

### CLASS NOTICES

**Millennium-** Please remember to bring in your PE kit. Forest school is on Thursday afternoon.

**Sycamore** – Forest school is on Thursday afternoons.
