

Weekly Newsletter: 15th March 2024

Dear parents and carers,

The school has been a sea of red today to complete another week; through dressing up and the cake sale at the end of the day, Red Nose Day at Horn Park has helped raise money that will support incredible projects and organisations that are making a difference for people across the UK and around the world. You can read more about the charity and the work it does [here](#).

It was wonderful to invite parents and carers into the building this week for parents' evening. Being over halfway through the year, it is a great time to reflect on the fantastic progress that has been made, share some of your child's learning outcomes, and discuss focus areas for the rest of the academic year.

As part of this, on Tuesday, there was a food tasting in the hall from our catering company Chartwells. It gave everyone the chance to sample some of the new dishes on the Spring/Summer menu. After the Easter break, this new menu will begin and can be found here on the school [website](#).

Last Friday, we were very proud to be representing the Compass Partnership of Schools at the ASCL conference in Liverpool. Our choir sang beautifully to an audience of over 1000 education leaders from across the country. Children were a credit to the school demonstrating our school values and performance skills that a professional would be proud of.

In addition to this, alongside other school's from the trust, our learning was displayed and admired by school leaders and politicians alike. This is the first time a primary school has been represented at the conference and everyone was blown away by what our children achieve.

The PTA will be doing an Easter raffle next week, the draw will take place at 3.30pm on Friday 22nd March when they have their tuck shop. Tickets can be purchased from the PTA after school in the playground.

Have a lovely weekend,

Ms Zoe Crosland and Mr Jack Green

Book Recommendation

'The Thieves of Ostia' by Caroline Lawrence is an exciting book with surprises around every corner! Year 4 used this book to inspire their modern-day Roman mystery mini stories in English. It is a delightful and well-written read, full of accurate yet lightly woven-in descriptions of 1st century AD Roman Italy. The heroine, the courageous Flavia, is a curious girl with more than a touch of the detective's skill. It is the first book in the series of 17 books, so if you like this one there are lots more for you to choose from!
