Dear Parents/Carers,

Please find attached our updated draft 'Relationships and Sex Education Policy' (RSE). Previously this information was incorporated within our 'Personal Social Health and Economic Education Policy' (PSHE).

Following on from feedback we have developed a specific RSE policy and we would welcome your feedback on this.

Previously when developing the curriculum for both RSE and PSHE we worked closely with our parent's forum and consulted more widely with parents. The curriculum content remains unchanged since this consultation. It is simply the policy that has been amended.

We welcome your feedback on this policy. Please do this via the Microsoft form link below

This link will be available until Thursday, 28 March 2024.

Thank you in advance for your feedback

Kind Regards

Michelle Bernard
Interim Director of School Effectiveness
