

Weekly Newsletter: 28th March 2024

Dear parents and carers,

The end of term brings with it an opportunity to reflect on the last few months, and the wonderful learning, trips, concerts, exhibitions and opportunities all children have had access to.

This week, in particular, has showcased the music provision at Horn Park. The children displayed all of our school values and performed confidently in front of their peers and adults. It brought together the fantastic skills children acquire as part of our music curriculum, including the violins performed by all of year 5, and what has been learnt in separate tuition sessions for the violin and guitar.

On Wednesday morning, we were treated to our termly Rocksteady concert. Again, the array of skill on show was fantastic to watch and all adults in attendance were impressed by the confidence of all who performed. If you are interested in your child having Rocksteady lessons [please check our website for further information](#). Also on Wednesday, reception enjoyed a trip to Mudchute farm in support of their learning topic of 'Our World.'

Today, our girls football team have also been competing in a tournament organised by Charlton. We are very proud of how the children have played as a team and displayed our school values. Well done girls!

We have sent communication home this week about our annual [careers fair](#), taking place on Tuesday 21st May. This event supports our school's aim of developing children's awareness of self and the role they play in the wider community. If you can offer support on the day by sharing information about your own career, we would be incredibly grateful. Please complete this [form](#) to register your interest.

In assembly today, children received badges to recognise brilliant attendance patterns during the spring term. Well done to all the children who have gained either a 100% badge or attendance award badge. All children can work towards a badge in the summer term.

If you registered interest for any After School Activity Clubs, please check your My Child At School account for which clubs children have been given a place in. Once again, we have had a high level of interest in club places so if your child did not get a place in a club they requested, they have been added to the waiting list and the school office will be in touch if a space becomes available. After School Activity Clubs will commence the second week back with Year 1&2 Gymnastics Club starting a week later on Thursday 2nd May.

Today we have [shared the dates](#) of our workshops and school events for the Summer term, these are also listed below.

Have a wonderful Easter break, we look forward to seeing everyone back at school on Monday 15th April.

Ms Zoe Crosland and Mr Jack Green

Attendance Matters

Good attendance is key to success both educationally and beyond. For this reason, we aim for 100% attendance.

This week's attendance: 95.5%

Best Year Group: Year 3 - 99.2%

Book Recommendation

Sycamore would like to recommend 'Clean Up' by Nathan Bryon.

It's about a little girl called Rocket who goes to visit her grandparents in the Caribbean - an who run an animal sanctuary. Rocket noticed what harm the rubbish is doing to the animals on the island and in the sea. She can't enjoy her holiday until something is done, so Rocket comes up with a master plan to help.

ONLINE LEARNING (Homework)

French phase of the week:
les vacances - the holidays

Term Value:

Honesty

Lunch Menu: 1

w/c 15th April
