

Horn Park Primary School

MILLENNIUM AND SYCAMORE

SUMMER NEWSLETTER

Welcome Back

Welcome back everyone, we hope you had a lovely Easter break. We are looking forward to the term ahead as the weather is warming up!

Please remember, if you have any questions, please do let a member of staff know so we can do whatever we can to support you. Thanks all, Miss Akehurst and Miss Samuels.

ENGLISH

In English this half term, Millennium will be exploring 'The BFG' and 'The Pirate's next door'. We will be describing the characters and settings in both stories and sequencing key events. We will be focusing on the vocabulary that is being used in the BFG and identifying what is different about the BFG'S language. Sycamore's focus this term is 'Under the Sea'. We will be reading 'Rainbow Fish' and 'Snail and the Whale,' we will also link this to turn taking and sharing.

MATHS

Our Math's learning this term in Millennium will be focusing on multiplication and division, using concrete objects and pictorial representations and arrays. We will also be looking at fractions by recognising, finding, and naming a half as one of two equal parts of an object, shape or quantity. Sycamore will continue to develop counting skills, as well as exploring shape, focusing on descriptive language.

SCIENCE

In science this half term, Millennium will be looking at plants. We will be carrying out a full scientific investigation, planning, and observing changes over time. Children will be able to label and identify different parts of a plant, the function of a plant and how plants grow. We will be exploring our local area and will identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.

GEOGRAPHY

Millennium will be looking at seasonal change and weather this term. We will explore hot and cold areas of the world in relation to the Equator and the poles, using maps and globes. Children will have the opportunity to compare basic human and physical features.

CLASS NOTICES
