

# Weekly Newsletter: 10th May 2024

Dear parents and carers,

In what has been a shorter week due to the bank holiday, the sun has finally decided to come out as part of another busy week at Horn Park.

Year 2 enjoyed a trip into London this week to visit Horizon 22, experiencing breath-taking views spanning some of the most exciting locations in Central London. The trip allowed the children to view their city and the River Thames from above, whilst giving a great opportunity to consolidate their learning of rivers in geography.

With the weather improving, please ensure that the children continue to come to school with a labelled water bottle. They can refill their bottles on the playground at play and lunch time. Children are also encouraged to bring sun hats into school; please make sure these are labelled.

It has been wonderful to have parents and members of the community enquiring about volunteering at the school. It is always fantastic to have additional adults supporting with reading and other aspects of the school day. Please speak to the school office or a leadership team member if you are interested in volunteering.

Thank you to those of you who have reached out to offer your support for the Summer Fayre on Thursday 4th July. If you are yet to do so and would like to help put on what is always a fantastic event for the school and community, please speak to The PTA in the playground, the school office or a member of the leadership team.

Our Year 6 children are completing their end of KS2 SATs next week. We are already so proud of what they have achieved in their time at Horn Park and we know the children are looking forward to demonstrating everything they have learnt.

Have a lovely weekend,

Ms Zoe Crosland and Mr Jack Green

'Freedom 1783' by Catherine Johnson is the adventure of Nathaniel, a twelve year slave living on a plantation in Jamaica.
