

Weekly Newsletter: 17th May 2024

Dear parents and carers,

With the first half of the summer term nearing its end, it has been another busy week at Horn Park.

We were proud of our school choir last Friday for their performance at Blackheath Halls for the Greenwich Singing Spectacular. They joined a number of other schools in Greenwich to sing together as well as perform their own song which sounded beautiful.

This week, children in Year 6 have been completing their end of Key Stage 2 SATs. We could not be prouder of the determination and resilience shown by the entire cohort, who have demonstrated just how prepared they are for secondary school. They finished the week with a celebratory picnic in the park and by finding out what their end of year performance will be. Watch this space...

On Wednesday, our children in Nursery enjoyed a fantastic day at Mudchute Farm. After getting there by travelling on the bus and train, the children had a wonderful time exploring and meeting many animals. A huge thank you to all the parent volunteers who supported the children ensuring the trip ran smoothly.

On Thursday, a photographer visited the school to take some photos of the children. We are excited to be able to use these to put on our website and around the school to showcase the wonderful things on offer at Horn Park. Next half term, we will be visited by a film company who will be helping us to create a short promotional video.

We have now finalised our attendees for our annual Careers Fayre next Tuesday 21st May who will be sharing their professions with the children and inspiring them for the future. Please come and join us in the school hall straight after school.

Have a lovely weekend,

Ms Zoe Crosland and Mr Jack Green

Attendance Matters

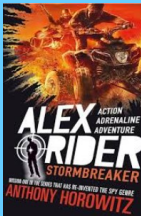

Good attendance is key to success both educationally and beyond. For this reason, we aim for 100% attendance.

This week's attendance: 93.09%

Best Year Group: Year 6 - 97.5%

Book Recommendation

Westminster are thoroughly enjoying reading 'Stormbreaker' by Anthony Horowitz. After using extracts to support our writing both this term and last, the children voted to continue this story as our class text. We are excited to find out what happens to Alex as he is recruited by MI6 to spy on the dubious Herod Sayle and investigate his suspiciously generous offer to build state-of-the-art computers for every child in England. What is Sayle up to and will Alex be able to remain undetected? We will soon find out!
