

Weekly Newsletter: 24th May 2024

Dear parents and carers,

What a superb and busy final week of the half term!

On Tuesday afternoon, we welcomed people from many professions for our annual Careers fair. All children, from Nursery through to Year 6, spent time asking questions and finding out more information about a huge variety of careers. To quote a couple of the children directly: "It's to encourage children to explore the different careers they could have," and, "You can learn more about what you want to be." A huge thank you to Miss Ablitt for organising a superb event. We look forward to sharing further information about how children can pursue interests outside of school linked to some of the careers at the fair in future newsletters.

Reception, Year 1, Year 4 and Year 6 have all been out on trips throughout the week. Reception and Year 6 have both been to the Horniman Museum: Year 6 were awarded a very limited grant which enabled the children places in an Animal Classification Workshop and a visit to the Aquarium, whereas Reception enjoyed exploring the animals in the Horniman Museum gardens and looking at music from around the world.

Year 1 had an immersive day in Greenwich, visiting the Cutty Sark to begin to sketch the ship from our observations. After this, their trip continued in the flower gardens of Greenwich Park to develop their learning of common and wild plants. Year 4 were also in Greenwich Park earlier in the week, visiting the learning centre to take part in an archaeological dig.

After half term, we will send out the finalised details of the upcoming forest school events. We are looking for donations of any sleeping bags, double or single air beds and fitted sheets that may support the running of these events. Thank you in advance for anything you are able to give.

Finally, a huge well done and congratulations to Miss Lazell and Miss Samuels, who completed the Alzheimer's 'Trek26' last weekend. Between them, they have raised over £2,400 for a fantastic cause.

Have a lovely weekend and half term break,

Ms Zoe Crosland and Mr Jack Green

Attendance Matters

Good attendance is key to success both educationally and beyond. For this reason, we aim for 100% attendance.

This week's attendance: 94.4%

Best Year Group: Year 1 - 98%

Book Recommendation

Millennium would like to recommend 'Harry and the Dinosaurs First Sleepover' written by Ian Whybrow and Adrian Reynolds. Harry and his dinosaurs go to a sleepover to Jack's house, they have so much fun there's no time to miss home. When it gets dark and things go bump in the night, suddenly the dinosaurs are not so sure. Fortunately, Harry has his friends to look after him and make sure they all have a roaringly good time.
