All leaders play a hugely important role in driving school improvement. At any level, leaders will develop effective policy and practice across the school with specific reference to their area of responsibility. Our phase leaders, for example, are always available to discuss any questions or concerns you may have about a child in the year groups they are responsible for.

Parents and carers make a hugely important contribution to children's achievements at school, and we want to ensure the relationship between the school and parents/carers is for everyone's benefit. The events listed below will provide an opportunity for you to hear from leaders, their vision for the year ahead and to answer any questions.
