

Weekly Newsletter: 14th June 2024

Dear parents and carers,

As we come to the end of another vibrant week, we are delighted to share some of the fantastic experiences our children have had. From engaging in hands-on projects to exploring new concepts in their learning topics, the children continue to demonstrate our school values in everything they do.

This week, our phonics screening took place, and we are very proud of how year one children could confidently demonstrate their progress in their phonics learning, reading many different words and talking about them with their adults.

This week we have celebrated Healthy Eating Week and children have been discussing how we can eat a wide range of foods and how these help us stay healthy in their assemblies. There has been a range of learning experiences taking place in the classroom including creating their own healthy snacks and visiting the kitchen garden where we are growing sweetcorn, peas, rocket, beans and apples pears as well as mint. If you would like to find out more about our kitchen garden or take a look at the wonderful array of things we are growing, you will find it on your left as you leave the main school gate.

We were really proud of our year 5 children this week, who did not let the wet weather dampen their spirits when representing Horn Park at the Compass Games. This was an opportunity for Horn Park and other children in the trust to come together to compete in a variety of sports

Have a lovely weekend

Ms Zoe Crosland and Mr Jack Green

Sports Day for Reception to Year 6 on Friday 28th June

Sports Day is taking place for children in Reception to Year 6 on Friday 28th June - you can read more information about the day [here](#). Children will need a packed lunch and water on this day, if you would like the school kitchen to provide a packed lunch for your child for Sports Day, please complete [this form](#) by 9am on Monday 17th June. Packed lunch orders will **not** be taken after this time. Thank you.

If you have recently attended a workshop in school, please take a couple of moments to complete [this parent/carer feedback form](#).

Attendance Matters

Good attendance is key to success both educationally and beyond. For this reason, we aim for 100% attendance.

This week's attendance: 92.6%

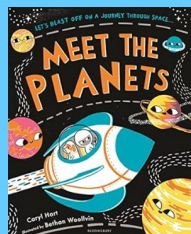

Best Year Group: Year 1 - 95.7%

Book Recommendation

Willows have been reading books linked to our topic of Space. We have especially enjoyed 'Meet the Planets' as it has the same author as 'Meet the Oceans'. We have also enjoyed 'The Darkest Dark' which tells the real life story of astronaut Chris Hadfield.

Teddy - "I love it because I get to see Jupiter, the King of the planets!"

Chimbusomma - "It's a lovely book because he has to be very brave to become an astronaut."
