

Weekly Newsletter: 28th June 2024

Dear parents and carers,

Today, children from Reception to Year 6 took part in our annual Sports Day at Sutcliffe Park. Across a range of sporting activities, the children were able to demonstrate the skills they have practised throughout the summer term, as well as the school values of unity, perseverance, positivity and respect. Thank you to all parents and friends that came to support the children. It was a fun day had by all. We will share the results in assembly next week and in next week's newsletter.

Alongside the excitement of Sports Day, children throughout the school worked with a sports coach in their PE lessons this week. This helped them prepare for specific events they took part in today.

On Thursday, we had a visit from our governors and trustees who were really impressed as always with the engaging learning on offer for all children and how proud children were to talk about their learning.

A reminder that children who bring their scooters and bikes to school and store them here during the day, must not ride them on site. This is part of our health and safety procedures in ensuring those children, and other members of the community, are kept safe at the beginning and end of the day.

As the weather improves, please ensure you children come to school with a water bottle. They can refill this throughout the day.

Have a fantastic weekend,

Ms Zoe Crosland and Mr Jack Green

Dates for your diary

Attendance Matters

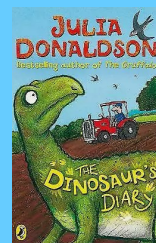

Good attendance is key to success both educationally and beyond. For this reason, we aim for 100% attendance.

This week's attendance: 94.03%

Best Year Group: 98%

Book Recommendation

Poplars would like to recommend the book 'The Dinosaur's Diary' by Julia Donaldson. This is the story of Hypsilophodon (H to her friends) the dinosaur who looks tirelessly to find a safe place to lay her eggs so that the bigger, fiercer dinosaurs won't get them. When all of a sudden, she falls into a mysterious pool and finds herself on a modern farm, things don't get any easier. Join her on her adventure to keep her baby dinosaurs a secret.

ONLINE LEARNING (Homework)

French phase of the week:

Thursday - Jeudi

Term Value:

Perseverance

Lunch Menu: 3

w/c 1st July
