

# Weekly Newsletter: 5th July 2024

Dear parents and carers,

At the end of a week that brought our Summer Fayre on the same day as the General Election, we know that it has been a busy week in the community.

A huge thank you to everyone who attended, contributed to and supported the Summer Fayre yesterday. The PTA, led by Ozge, and school staff, led by Mrs Rose and Mrs Toolan, put on a fantastic event for the children and the wider school community. We know from a late night of counting money that we have raised just under £2000, which is amazing. This money will be going towards a set of new ipads for the children. We will be outlining what PTA money has been spent on this year as well as what we would like to spend on the children next year in the coming weeks.

During Wednesday's assembly, children were excited to find out the winning team for Sports Day. We are delighted to announce that the **green team** were this year's victors, totaling a fantastic 4,567 points. This was just ahead of the red team, who scored 4,484 points. We were incredibly proud of how the children showcased the school values throughout the day.

As part of the same assembly, the children took part in a record attempt for the 'largest online assembly.' Led by 'Picture News,' the assembly focused on 'What does it take to be an Olympic and Paralympic athlete?' The children heard from Paralympian Stef Reid and her inspirational journey to the top of elite sport. This certainly inspired both KS1 and KS2, leading to many a long jump competition on the playground during lunchtime.

Earlier in the week, we welcomed headteachers from across our trust of schools for a peer review. Our visitors were so impressed with the standard of learning environments, behaviour for learning, engagement in learning and relationships with children as well as passion for subjects to name just a few highlights.

Next **Friday (12<sup>th</sup> July) at 9am**, the Healthier Greenwich Partnership will be hosting a coffee morning at school. They are keen to hear from community members about shaping the Horn Park community's future.

Have a lovely weekend,

Ms Zoe Crosland and Mr Jack Green

## Book Recommendation

Lambeth class have been reading 'Malamander' by Thomas Taylor. It's an eerie story that kept us hooked from the first chapter. 'Malamander' is a fantasy adventure set in Eerie-on-Sea, a seaside town with a secret life of weird weather and mysterious tides. The author even created a website with an interactive map of Eerie-On-Sea, the imaginary town where this amazing book is set.
