

Weekly Newsletter: 19th July 2024

Dear parents and carers,

And just like that, another academic year has been and gone. Assemblies throughout the week, alongside discussions in class, have allowed the children to reflect on the wonderful learning, trips and varied experiences they have been a part of since September. The end of year reports that you will have received earlier in the week are testament to the brilliant year your child has had, and how proud their teacher is of them.

Our Year 6 children have not just been looking back at the last year, but the entirety of their time at Horn Park. The memories we heard in their Leaver's Assembly this morning represented just a small portion of what they carry forward with them onto the next stage of their academic journey. On top of that, we were so proud of them in their amazing performance of 'Shrek' to the school and wider community. We wish all of the children the best of luck in their future endeavors, and we look forward to hearing about all their successes.

We were delighted to end the year on a high this morning by celebrating children across the school who have maintained 100% attendance throughout the entire year. This is a fantastic achievement, and we know that children across the school will strive for the same when we return in September.

In the whole school assembly, we said our final thank yous and goodbyes to Miss Hughes, Miss Mobbs, Mr Razvi, Mrs Chandler-Flynn and Ms Ryan. We are so grateful for everything they have done for the community, and we wish them all the best. We also say a goodbye (for now) to Miss Farmer, who begins her maternity leave.

We hope you all have a wonderful summer break, and we look forward to welcoming the children back to school on **Wednesday 4th September**. The following day, on Thursday 5th September at 5pm, there is a 'Meet the leaders' briefing where you can hear about the academic year ahead of us.

Have a brilliant summer,

Ms Zoe Crosland and Mr Jack Green

Book Recommendation

Tower class have been reading 'An ABC of Democracy'. Everyone has the right to be treated fairly and equally, no matter who they are, what they look like, or where they were born.

This book shares complicated civil rights principles in a way that can be discussed with the youngest of children, from celebrating our right to be free, understanding how we can make our voices heard by voting and exploring what democracy looks like around the world.
