

Dear Horn Park Families,

I'm one of the founders of Basecamp Childcare and I'm getting in touch to let you know that from January 2025 we will be taking over the Breakfast Club and After School Club at Horn Park Primary School. We are really looking forward to being part of the Horn Park community.

If you're already familiar with the current Breakfast Club or After School Club provider, then you can expect a few changes, including our booking options, and pricing. But we will continue to provide the healthy breakfast, snacks and tea that you are used to. And this is all included in the fee to attend. You can also expect the drop off and collection procedures to remain the same as those you are currently used to.

We do not charge a registration fee, and we offer a 10% sibling discount.

We do understand that change can be unsettling and as I'm also a mum, I greatly appreciate how important it is to feel confident about childcare. I want to assure you that we will do all we can to address any concerns you may have, and most importantly to earn your trust before the start of the new term.

As a provider, we already operate out of 3 other sites, including supporting two other Compass Group schools, South Rise and Halstow. We also run at De Lucy Primary School. We are fully inclusive and pride ourselves on our SEND experience.

We use a flexible booking scheme, all done on-line, via CheqdIn.
You only need to book for the time you use, as follows:

Breakfast:

£5

After School:

30 minutes £3.25

1 hour £5

90 minutes £8.25

2 hours £10

Until 6pm £12.50

Until 6.30pm £14

We accept payments via the Tax-Free Childcare Scheme, Universal Credit and Stripe or BACS. We have a dedicated admin team for each school, so you will be able to access support from us whenever you need it.

At Basecamp our motto is 'Passionate about play, serious about fun!', so we will also be providing lots of new games, toys and activities for the children we care for to enjoy, including arts & crafts, puzzles, dressing up and sports equipment. Our aim is to support parents and carers as much as possible with flexible booking options and affordable fees; we will always do as much as we can to accommodate different requirements because we understand the challenges of juggling children, jobs and family finances.

Basecamp Childcare is a not-for-profit organisation. This means we operate without commercial aims, and any profit made, will be re-invested into Horn Park to deliver better outcomes for the children who attend the school. In the next few days you may see our posters up around the school which have QR codes that you can use to sign up with us. You can also register your child with us [here](#). If you have any questions, you can email us at hornpark@basecampchildcare.co.uk and if you'd like to register your child/ren, but are having trouble accessing the booking system, we can assist you with this.

We will be at the Horn Park Christmas Fair on Thursday 5th December from 3.15pm so you can meet some of our team and ask any questions. We will have our booking system available to show you, or help you register. We do hope to see you then but we appreciate this may not be convenient for everyone so we will also be hosting on-line Q&As on the following dates:
