November 2024

Dear Parents and Carers of Year 5 & 6,

Hemisphere Education Pupil Survey

As part of a wider project with the Compass Partnership of Schools and the Royal Borough of Greenwich, our staff recently completed racial literacy training with Hemisphere Education. You can find out more about this organisation by visiting their website [Hemisphere Education | Bias Training – Make Better Decisions](#).

To understand the impact of this, we are asking students in years 5 & 6 to take a short survey about their experiences and sense of belonging.

- **Anonymous:** The survey is anonymous, and no one at the school will see individual responses.
- **Voluntary:** Taking the survey is optional, and pupils can choose whether to participate, or to complete parts of the survey only. The choice will remain with the pupil and a script will be read before the survey to remind them of their rights.
- **Timing:** The survey will be done during the school day, week beginning December 2nd.

If you don't want your child to take the survey, please let the school office know via e-mail on hpcontact@hornpark.compassps.uk by Friday 29th November.

The evaluation of this project will enable schools to better understand student views, which will inform work moving forward.

Thank you for your support,

Zoe Crosland
Headteacher
