Parents and Teachers Association for Horn Park Primary School

The PTA is a volunteer-led organisation that supports Horn Park Primary School through fundraising events. These efforts help provide additional equipment, facilities, and extracurricular activities to enhance the learning environment and experiences for students. We also aim to foster a sense of community, bringing everyone together in support of the school.

We're always looking for new volunteers to join our team! Whether you can help at events or share ideas, your involvement makes a difference. It's a great way to meet other parents, support the school, and enhance our children's education.

If you are Interested, get in touch—we'd love to hear from you!
