Nursery places and Lunch

Dear Parents/Carers,

In order to support families with childcare and access to provision, we are adapting how we manage our places within the Nursery setting.

If you currently have a 15-hour placement in either the AM or PM, we are now allowing this to be used flexibly as two full days. These days would need to be set in advance so that we know which children will be in the setting at a given time. Equally, if you would like to discuss using your 30 hours flexibly across the week, or supplementing these hours for an additional fee, please let us know.

We are also going to be offering the opportunity for Nursery children that stay for lunch to have access to a hot school dinner. This can be paid for using the same system as the rest of the school [here](#).

Applications for Reception

Can we also take this opportunity to remind all Nursery parents that the deadline to apply for Reception 2023 is straight after the autumn term in January. All parents/carers must apply for a place through the local authority website, see [here](#) for more information. This is for children born between 1st September 2018 and 31st August 2019.

Please feel free to contact us to discuss any of these items in more detail.

Kind regards
Miss Ablitt
